

LOBBY

Designer: Toni Rie

Lounge floor lamp.

The elegant LOBBY is a floor lamp that will have no trouble bringing light to, for instance, a coffee table in a cosy corner of your living room.

If you do not like the idea of drilling a hole for a pendant above your coffee table, LOBBY is an elegant – simpler and much more versatile – solution.

From the black base, a long, arm reaches two metres upwards and 149 cm into the room. The arm lifts a black fabric shade across the room's seating area and into the centre of the sofa corner.

The LOBBY floor lamp stands solidly wherever you set it – thanks to the weight of the lamp's base. LOBBY is available in matt black and comes with a black textile cord with a practical foot switch.

Cord:
245 cm black fabric

On/off:
Foot switch on cord

Socket/bulb (not incl.):
E27 max 60W
