BALL DOUBLE

Designer: Benny Frandsen

Metal floor lamp.

The Ball Double floor lamp is ideal as a reading light next to a sofa or armchair. The lamp has two shades, making it perfect for a position between two seats – for instance, two armchairs. It gives excellent light for reading, and the light can be angled in any direction due to the rotatable shades. Simply loosen the screws to adjust the height of the two shades.

Cord:
280 cm black fabric

On/off:
Foot switch on cord

Socket/bulb (not incl.)
2 x E27 max. 40W
