

# Buds, suspension design Rodolfo Dordoni 2016

FOSCARINI

In the 1990s, Rodolfo Dordoni designed a collection of table, floor and suspension lamps for Foscarini in brightly coloured blown glass, named after the natural elements: Fruits, Blossom and Buds. Today Buds has been restyled again, interpreting contemporary taste with a sophisticated wealth and focus on materials. the star of the design remains blown glass, with a five-layer hand-crafted process, which is immediately evident thanks to the larger cut of the diffuser. With the new range of colours - cold brown, cold grey, bamboo green and white, with a

straw-yellow internal finish- Buds takes on a dual value: it is warm when the lamp is on and cold when off.
